-Eiichiro Oda, 2015

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

(Hippo, miki, yatarina)

Q: Here's a question for you, Odaechi! Why is it that so many characters in *One Piece* have mothers who are unknown or deceased?

— Kon'ito

A: I see. Well, the answer is simple. The antonym of "adventure" is "mother." *Please do not write this on a test

Q: The Gimlet who appears in Chapter 755 has to be named after the gimlet cocktail, right? Are you a fan of Raymond Chandler, Oda Sensei? Or do you just like alcoholic beverages? (laughs)

Law's Second Assistant

A: Yes, that's where I got the name. This is actually a tricky one to explain in full. It's a bit of wordplay on a famous line about gimlets in Chandler's classic hardboiled novel, *The Long Goodbye*. So I figured, if I'm going to do a hardboiled bit, I needed to get that name in there. You should look it up, if you're curious. Gimlet's mother "Russian" also came from a cocktail. Also, while I am from the alcohol-producing region of Kyushu, I draw a story about pirates, and I love hardboiled fiction. I cannot handle my liquor.

Q: I noticed that Robin's breasts have grown very large. Later on, I noticed that Nami's breasts are large too. Why are their breasts so large? Is that what you like, Mr. Oda? This question is from two 10-year-olds.

Sakucchan & Yuzu

A: I'll say it a million times. I'm drawing the dreams of boys everywhere. People of the world! Grow BIG BOOBS!

- Q:** Hello. How are you? I am fine. I have a question about my beloved one-piece. I can't decide between flower print or plain. I mean, flowers are nice, but I'm wondering if going with plain will make me look more like a grown up lady. What do you think is better, Mr. Oda?

The Invincible Haru-Haru

- A:** Good question. In my case, I prefer to go out on trips in a nice frilly one piece with a flower design. Seems like I often wind up down at the police station answering questions for some nice policemen, but other than that, I'm fine, thanks for asking! I just love a good one piece dress!

- Q:** Here's a question, Coach. In Chapter 762 of Volume 76, when Law stabs Cora, I spotted Crocodile's face on his copy of the newspaper. What kind of article was it?

Yamamoto/Sugiyama/Hin

- A:** Nice job spotting that. Indeed, it is Crocodile. This happened 16 years ago, when Law was 10 and Doflamingo was 25. Crocodile was 30 at this time. When he was younger, he blew up quick, just like Luffy, but he joined the Seven Warlords fairly early on, in his early twenties. After that, he challenged Whitebeard and lost. While he stayed quiet after that, his ambitions were turning on Alabasta instead, and this is when he started hunting pirates as a Warlord. So the article in the paper is actually a story about his heroic exploits saving the country!

(Waka Kanda, Nagasaki)

Q: What are those spike-like things on Pica's shoulders?
No. 73

A: If you place a growing watermelon into a square container, it will eventually fill the space and result in a square watermelon. Pica wore shoulder protectors in that shape all throughout his growth spurt, so his shoulders just grew that way!

Q: Oda Sensei!! Buggy could pass right through the Birdcage, couldn't he?!

A: True, that's a good point. Buggy's entire crew could be stuck in there, and he'd split and take off on his own! I like this drawing. ➡

Q: I want Luffy and Doflamingo to fight and I want Luffy to win.

A: I agree!! Let's root him on together!

Q: Show me a simple way to draw Zoro!

From Taichi in Iwate

Kananasa

First is a patch of grass

Two mounds in a wide sea!

A drop of soy sauce on a dumpling, then make a cross and eat!

Three swords for three-sword style!

Spikes and squiggles on each side, and you've got little lost Zoro! Also, he grew hair.

Q Does Buffalo style that crazy hair himself every morning?

No. 13

A It's a cowlick.

Q The boy named Drake working in the pirate Barrels' crew is actually X Drake of the Drake Pirates, right? I figured it out from the X (pronounced "Diez") name, the scar on his chin, and their home in the North Blue. Does that mean Barrels is Drake's father?

Kazuki from Hyogo

A That's right! Well spotted X Drake is one of the "Worst Generation" pirates who are stirring up the world alongside Luffy. His father Barrels was a Marine officer and he grew up idolizing his pops and dreaming of being in the Marines. But something happened, and Barrels went pirate, turning into a terrible man who abused his son. At this time (13 and a half years ago) Drake was 19, and still following along because he believed in the father he remembered from his youth. He's a bit too big to be considered a "boy," but he looks younger than he is because he's so intimidated by his father. Through his fateful, accidental near miss with Law, he ends up taken in by the Marines, and he becomes a sailor. But through some quirk of fate, Drake moves up the ranks to an officer, and then leaves to become a pirate, just like his father! What happened to him? What is he thinking? What's the big deal, mister? After his appearance on the cover page story, it really makes you curious what X Drake is going to do next!

Masamichi Nobusawa (Gourmet)

- A Well, everyone, in the last volume I introduced an old submission to the (Japanese) fan art section, which was sent in by Mr. Horkoshi, who has grown up to draw *My Hero Academia* for *Shonen Jump*. This time, I got a report that one Nozomi Mori, whose fan art recently graced Volume 74, has just made a professional debut with a one shot under the name Kedai Himuro in the pages of *Monthly Afternoon*. This is totally unrelated to *Jump*, however. Anyways, congrats! I hope you get serialized and make a great name for yourself in the sea of manga! Good luck!! (^ ^)

- Q Hello!! I was watching TV the other day, and learned that the real life Japanese Navy, when it is out at sea, always serves curry on Fridays to maintain a sense of the days of the week. Do the Marines in *One Piece* have curry too? If that's the case, is Rika's curry super sweet???

Kagamin

- A Yes, the Navy's curry is quite famous. The Marines in *One Piece* employ the same custom. Since it serves a purpose of providing extra nutrients that one day a week, I've heard that it's a delicious curry packed full of fresh seafood. It seems that the sweeter curry served at Rika's Marine Branch is quite popular. Well, that's it for this installment of the SBS! See you next volume!!

!!

THERE ARE
STILL PATIENTS
IN THE
HOSPITAL!!

WE CAN'T
MOVE THEM
ALL!! SOMEONE,
PLEASE HELP!!!

SOMEONE,
LEND A
HAND!!!

NO NO NO!
I CAN'T
DO THAT!!

YOU GO
ON AHEAD.
LEAVE ME
BEHIND!

THERE'S NO
WAY FOR ME TO
RUN ALL THE WAY
TO THE CENTER
OF TOWN

I WON'T
MAKE IT
EITHER
WAY...

...THE
NATION IS
SURROUNDED
BY A GIANT,
INESCAPABLE
BIRDCAGE

DUE TO A
GAME THAT THE
PRESENT KING
DOFLAMINGO
ENACTED

THE
VIGIL'S PLAYER UP
THIS CAGE IS SLICING
THROUGH THE TOWN
AS IT GROWS DOWN
FURTHER AND
FURTHER.

I WILL NOW
EXPLAIN...WHAT
IS HAPPENING
TO OUR LAND.

EXCEPT
FOR THE MAD
RUSH TO
PROTECT YOUR
OWN LIVES.

HAS LEFT
YOU UNABLE
TO PROCESS
ANYTHING...

NO
DOUBT THE
SUDDENNESS
OF THIS
SITUATION.

KING
RUKU
...

BUT I ASSURE
YOU--THIS IS
NOT A DREAM!!!

FOR THE PAST
TEN YEARS...
WE HAVE BEEN
RULED OVER
BY A PIRATE!

AND
THIS IS NOT
A TRAGEDY
THAT BEGAN
TODAY!!

FOR THOSE
TEN YEARS...
WE HAVE BEEN
PUPPETS ON
HIS STRINGS!!!

!!!
TRAPPED IN
THE MIDST OF
THE BIRDCAGE
CALLED
DRESSROSA
!!!

BUT VERY
SOON, IT
WILL BE
OVER!!!

THIS
IS OUR
REALITY
!!

BUT WHETHER
HE WINS OR
LOSES, IT WILL
ONLY BE A
MATTER OF
MINUTES!!

I HAVE NO
DOUBT THAT HE
WILL DESTROY
THIS BIRD-
CAGE!!!

BATTLING
HIM NOW IS
THE PIRATE
STRAW HAT
LUFFY!!!

ON EMPTY
LINGS...ON
BUNKER
LEGS!!

JUST
KEEP
RUNNING
!!!

ENSURE THAT
NOT A SINGLE
PERSON IS
CAUSED BY
THIS SHRINKING
COUNTRY!!

SO I BEG
OF YOU, DO
WHAT YOU
CAN TO
SURVIVE!

JUST A
FEW MORE
MINUTES.

FIND A WAY TO SURVIVE!!!

**SO
DO NOT
GIVE
UP!!!**

**THERE
IS STILL
HOPE
!!!**

**I'M
COMING,
GRANDMA
!!**

**OKAY
...**

**..LIL
MISSY
!!!**

**TIME
TO
RUN...**

AW-RIGHT

HOP...!

**CARRY THE
INJURED!!**

**JUST LAST
UNTIL THE
FINISH!!!**

**DO
AS KING
RIKU
SAYS!!!**

**RUN
TO THE
CENTER OF
TOWN!!!**

AAAH!
THE
TOWN'S
FULL OF
STRANGERS

BILLOW-
WHITE
!!!

FOR YOU
TO DIE
NOW!!
